

TIRED OF PRODUCT REIMBURSEMENT BELOW COST? TIRED OF DIR? JUST PLAIN TIRED?

Consider a shift in your pharmacy business model to provide pharmacy services and contract directly with plan sponsors and payers who value those services (in most cases bypassing the PBM)!

CPESN Nebraska is expanding and looking for the best community-based pharmacies. CPESN Nebraska is the only clinically integrated network of pharmacies that works directly with plan sponsors and payers to improve the quality of care for patients as well as engage with payers for the delivery of those services.

- CPESN Nebraska is **owned by its participating pharmacies** and decisions are made by the participants.
- CPESN USA **provides educational resources and training** to help you change workflow and provide revenue-generating pharmacy services.
- CPESN Nebraska **engages plan sponsors to contract for pharmacy services** that are financially beneficial to both parties.
- CPESN Nebraska **has Payer programs already available for your pharmacy.** Join and learn more.

CPESN® Nebraska is not a vendor or a third-party middleman. We ARE the pharmacy owners.

Stop putting it off! The future of local pharmacy practice in America starts with CPESN Networks.
